FUNDING PROCESS

- Applications are submitted online to the PPA Partners through eGRANT and three (3) printed copies are mailed.

The panels make recommendations to the PPA Partners' Boards for the Boards' consideration in making their funding decisions. The PPA Partners' Boards are not obligated to provide formal explanation of the awards.
- PPA Partners may notify appropriate legislators of the funding decisions prior to notifying applicants. PPA will notify applicants by email or postal service of funding decisions.
- Those receiving awards will be sent a Grant Award Agreement (GAA). Recipients must: log in to eGRANT; complete and submit the GAA online; print out copies of the GAA; get appropriate signatures; and mail them to the appropriate PPA Partner.

MATCHING REQUIREMENTS

- First and second time PPA Project Stream recipients are not required to match the requested amount.
- Third time (and thereafter) recipients must show a 1:1 cash match of funds requested.
- PCA funds may not be used as match for other PCA funds.

APPLICATION REVIEW PROCESS

PPA Partners use an advisory panel process to assess applications based on the review criteria and make recommendations to the PPA Partners' Boards of Directors for consideration in making funding decisions. Membership on advisory panels changes annually, so applicants should not assume that the panelists have any prior knowledge of the applicant or process.

- The information provided in the application is the principal source of information for the advisory panel review.
- Applications should be clear, complete and compelling in presenting all information. Responsibility for making a case for PPA support rests entirely with the applicants.
- Applicants may receive little or no support if information is missing, incorrect or unclear.

APPEALS PROCESS

PCA recognizes that errors may occur in the PPA application process. The PCA is committed to acknowledging any errors and responding to rectify the effects of an error. The appeals process enables applicants to identify these errors and omissions, and bring them to the attention of a designated partner. Appeals to the board of a designated partner may result in an increase in the PPA award amount if the applicant can satisfactorily document that the application was misrepresented or improperly reviewed through no fault of the applicant. Appeals are awarded only if the designated partner and the PCA believes that the error or omission had a substantial effect on the recommendation of the advisory panel.

Appeals are not intended to provide the applicant with an opportunity to challenge the recommendations of the advisory panel. Disagreements with the judgment of the advisory panel or the amount of the award are not grounds for an appeal.

Applicants considering an appeal should contact their partner for advice and guidance. The appeal of an award decision must be made in writing ten (10) business days from the date of the notification of the award from the Partner. Letters of appeal should be addressed to your PPA Partner. Send a copy to Matthew Serio, Program Director, Pennsylvania Council on the Arts. The letter should identify the error or omission and the effect such error had on the recommendation of the advisory panel. If the appeal is successful, funds will be awarded only if they are available.

APPLICATION REVIEW CRITERIA

The advisory panels assess applications based on the following criteria:

Quality and Quantity of Artistic Product, Process or Service - 35 points

- Quality of the project goals and measurable objectives that address the project goals. Project goals may include an artistic product (such as a performance, exhibition or other public event) or artistic process or service (such as classes, workshops, etc.).
- Quality of the artist(s) and others principally responsible for the project.
- Quality of the work represented by the work sample, support materials, and/or venue of activities (if applicable).

Access to the Arts - 35 points

- Demonstrated knowledge of target audience.
- Efficacy of plans to reach general public, including target audience.

Management - 30 points

- Appropriate budget.
- Evidence of developing other support, such as business support, in-kind support, and shared services (if applicable).
- Ability of staff, volunteers, and/or board to effectively manage and implement programming.

commensurate with the scope of the administrative services. Artistic control and proprietary rights rest exclusively with the applicant initiating and completing the project, not the fiscal sponsor. A project may not be advertised or listed as a project of the fiscal agent/sponsor.

Note: If a group or individual submits an application to the PCA through a fiscal agent/sponsor and the grant is awarded, the check will be written to the fiscal agent/sponsor.

APPLICANT INFORMATION II

Authorizing Signature:

The application must be signed by a person who is legally authorized to obligate the applicant, for example, the board chair, executive director or the individual who assumes responsibility for the funds and project activities. (Photocopied signatures are not accepted.)

Legislative District Numbers:

To determine your legislative districts use the following site: legis.state.pa.us or call the League of Women Voters at (800) 692-7281. Philadelphia and Allegheny County constituents should contact their Board of Elections to determine legislative districts.

PROJECT INFORMATION

Project Location(s)/Venue(s) and County (ies):

List up to 5 Project Venues. Include the physical address of the venue. Do not use PO Box addresses. If no venue has yet to be determined, enter the applicant's physical address but explain why the venue has yet to be determined in your narrative.

Project Title:

Please title your project. This is very important if your project is only part of your organization's overall programming.

Project Artistic Discipline:

Select the artistic discipline that best describes your project. If your project has multiple disciplines, you should select Multidisciplinary.

Venues funded by the PCA:

PPA Project Stream applicants are eligible to receive support for activities in these two categories:

- **Arts projects not conducted** with or in venues owned and/or operated by organizations or programs the PCA already supports through PPA Program Stream, Arts Organizations & Arts Program (AOAP) Track, or the Entry Track.
- **Arts projects conducted** with or in venues owned and/or operated by organizations or programs the PCA already supports through PPA Program Stream, AOAP Track or the Entry Track.

Limited funds are available. Statewide, at least 75 percent of the PPA Project Stream funds will support projects not conducted with or in PCA-supported organizations or programs. 25 percent of the funds will support projects that are conducted with or in PCA-supported organizations or programs. The level of competition for funding in the two project categories will vary among PPA service regions.

Note: Your PPA Partner, with PCA staff, will determine whether your project is conducted with or in a PCA-supported arts organization or program. If you would like a list of the arts organizations and programs currently supported by the PCA, please contact your PPA Partner.

Regional Project:

If more than 50 percent of your project activities will occur in more than one county, check the "yes" box. If not, check the "no" box. This question is only required for projects in Bucks, Chester, Delaware, Montgomery, and Philadelphia Counties.
