RE: 2013-2014 Grants Report

---

The **2013-2014 Grants Report** is a complete list of all Pennsylvania Council on the Arts grants from said year. All 67 Pennsylvania counties are represented in this list.

The report is presented in three sorted formats: County, Track/Program/Division and Artistic Discipline.

The number and variety of grants, both direct from the PCA and those made through our partners, show PCA's state-wide presence throughout the Commonwealth.

The report also shows Arts in Education residencies administered by our AIE partners that were self-funded by the grantee and/or AIE partner without direct PCA funds. However, please note that PCA's support of the infrastructure and administration of the AIE partner's role in self-funded residencies was instrumental in the residency taking place.

This list will be posted on our website.
